In-Home Care Agency Rules Training

Discover the Changes and Impact of the New Rules!

The long awaited new IHC agency rules have arrived! The Health Care Regulation and Quality Improvement Section of Oregon Health Authority will issue final rules changes for in-home care agencies **to take effect on July 1st, 2012!** Attend this training to understand the changes and how they'll impact your agency's practice by attending this session.

This session will focus on the changes to the in-home care agency rules, including:

- licensing classifications
- service area exceptions
- criminal records check requirements
- training quality Improvement process
- medication reminding, assisting, administration & services
- and more!

You will also receive information on the practical application of these rules and how to update policies, procedures and forms. This session will conclude with a presentation from Dana Selover from Oregon Health Authority about the implementation process of these rules.
